

FED UP WITH SKYROCKETING DRUG PRICES??

- **Abbott increased the price of AIDS drug NORVIR by 400%.**
- **Abbott increased the price of SYNTHROID, a synthetic thyroid drug commonly used by seniors, 10 times in a 5-year period.**
- **Abbott reported $5.22 billion in revenue for the period January to March 2004 -- a 14% increase over the company's revenue for the same period last year.**
